 - 5.2 Online Registration: Ohio Schools will continue with online registration for the 25/26 school year. Online registration will be open the week of July 28th through August 1st. During this week, parents of all students grades K-12 can log into Teacherease and simply register their students online. If a parent has multiple children, Teacherease will prompt them to register all students. Through this process, parents can update/edit/confirm all personal information, sign electronically for most registration forms, and pay fees and breakfast/lunch balances online. In person payment is still accepted (cash or check) or you can use a debit/credit card. These are available options to pay fees. As we hope to have all registration forms online, please still expect a few paper copies required at the beginning of the year. We appreciate all of your patience and flexibility as we are still navigating the new system. If any issues occur during the process, parents can call or stop in the main office for support. Online transactions can be monitored by Danielle or Sue through Teacherease, and both school district's bank statements. Any questions regarding online registration can be emailed to dlhughes@osd17.com and will be returned once she is back in the office from Summer Break.
