To be read and signed by the Parent/Guardian of the student participating in sports:

I understand that all sports can involve many risks of injury, and I understand that the degree of danger and seriousness of risk vary significantly from one sport to another with contact sports carrying the higher risk. I am aware that participating in sports involves travel with a team and the possibility of contracting a virus, including but not limited to **COVID-19**. In consideration of the school district permitting my child to participate, I agree to hold the District, its employees, agents, coaches, Board Members and volunteers harmless from any and all liability, actions, claims or demands of any kind and nature whatsoever that may arise by or in connection the participation of my child in sport(s) or athletics. I assume all responsibility and certify that my child is in good physical health and is able to participate in intra-team scrimmages and competitive play, if allowed, based on Illinois Department of Public Health (IDPH) guidance.
