## Principal's Corner

It is hard to believe, but the school year is almost half over! Semester exams for high school students are December 18-20. As a reminder, these exams will be 90 minutes in length and will count for 15% of the semester grade. Please encourage your child(ren) to finish the semester on a high note. Our Christmas Concert and Art Show is Friday, December 13th at 7:00 PM. Ms. Gallagher, Ms. Fehlhafer, and the students have been working extremely hard to put the finishing touches on their parts/projects and look forward to entertaining everyone there. Ohio High School students are once again being "Santa's Elves" to help needy children in our community. Every child deserves a happy Christmas and this program will help provide them with this. We hope during this holiday season you find time to spend with family and friends. Being with family and friends is what the holidays are all about. Happy Holidays from all of us at Ohio Schools!

If you have changed your phone number recently, please contact the school office to update your number with Blackboard Connect.

## How To Cook A Turkey

*"If I had to cook a Thanksgiving turkey, what would I do?"*

First, you find a turkey, and then you cook it in the oven for ten hours. Then, you eat it! You just eat turkey, no sides. You could have cupcakes for desert. My mom makes them the best.

-Tymberlee (above)

First, you have to catch the turkey. Then, cook it. Then you easily eat it. The oven has to be probably 46 degrees. We eat corn and broccoli. We eat pumpkin pie, but I really don't like it. My grandma makes good cupcakes though.

-Brandon (left)

First, we need a pan. Then, you spray the pan. Then, you put the turkey on the pan,. Then you start the grill, and then you put some things that you like on it, like seasoning. You have to grill it for five minutes. You have mashed potatoes, nothing else. For dessert, you can have chocolate ice cream!

-Lori (left)

First, I think you would put it in the microwave to thaw for about five minutes. And then you would put it on the bbq grill, flip it, bbq it some more, maybe five, ten, or fifteen minutes. Then, I think it's done. Oh, before you bbq it, you season it. I'm not sure what kind I usually use, my dad usually does it. You need bbq sauce, mashed potatoes and gravy sauce, watermelon, corn, and sweet potatoes.

# How To Cook A Turkey

Cook the turkey. The oven has to be veeeeeeeery hot. You eat it in a bowl, and you have to have muffins.  
-Aspen (above)

Well, you need a microwave. My mom cooks it in there for a long time. We like to eat corn, pie, and that's all we eat.  
-Chanel (above)

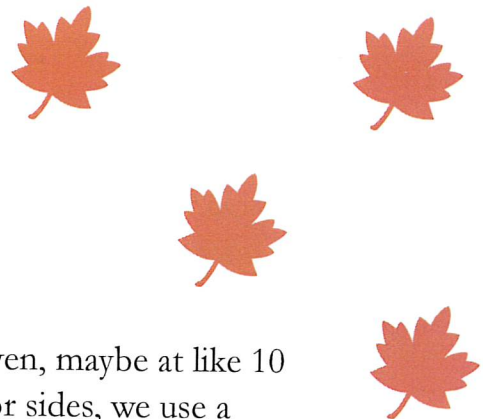

You just get a turkey and bake. You use an oven, definitely not a microwave, that would explode. The oven has to be about 25 degrees. I eat spaghetti with my turkey. I love spaghetti. Sometimes we have pumpkin pie, but I like apple pie better.  
-Jensen (above)

At my house, we eat corn, and that's it. Sometimes cookies.  
-Meera (above)

First, we would bake it in an oven, maybe at like 10 degrees? That sounds good. For sides, we use a fork to eat our mashed potatoes and ice cream.
