Electronic Sign Form:

Parents,

The electronic sign out front is up and running all year round. Please make sure you take the time to read about what is going on at the school as activities could change daily.

One of our goals is to be able to celebrate our successes. Activities such as academic awards, sports awards contest winners, graduates, and other recognitions will be honored. We would especially like to celebrate our students without compromising their safety.

Please give permission for us to use your child's name on our sign. If we do not receive a signed permission slip, we will not be able to recognize your child in this manner.

*I give permission for Ohio Community Schools District #17 & #505 to use my child's name on the school's electronic sign. I am aware that this permission is in place during the current school year until I revoke it in writing.
