Ohio Community Grade and High School Media Release Form

Student Name _____ School Year _____

Pictures of Unnamed Students:

Students may occasionally appear in photographs and videotapes taken by school staff members, other students, or other individuals authorized by the Building Principal. The school may use these pictures, without identifying the student, in various publications, including the school yearbook, school newsletter, and school Facebook page. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school-related activity.

Pictures of Named Students:

Many times, however, the school will want to identify a student in a school picture. School officials want to acknowledge those students who participate in a school activity or deserve special recognition. In order for the school to publish a picture with a student identified by name, one of the student’s parents or guardians must sign a consent form. Please complete and sign this form to allow the school to publish and otherwise use photographs and videotapes, with your child identified, while he or she is enrolled during the school year.

I grant consent to Ohio Districts #17 & #505 to identify a picture of my child by full name and/or the school he or she attends, in any school sponsored material, publication, videotape, or Facebook page. This consent is valid for the entire school year my child is enrolled in Ohio District #17 & #505. I may revoke this consent at any time by notifying the school office in writing.
