Winter Weather

As we're coming into the winter months, we ask parents to dress their children appropriately. Snow pants, coats, gloves or mittens, scarves, hats and boots are very important during cold weather. Students will not be allowed through the doors until 7:50 a.m., so please make sure they wear/bring the appropriate items daily!

Ohio Public Library

Hello from the library! We have a few programs coming up in November for both kids and adults. First, on Monday, November 11th at 3:30, we have a paper roller coaster building program that the Bureau County 4-h is going to be helping us out. Come and help construct some cool roller coasters and see how much weight yours can hold and the speed you can get out of it as you try it out! Then, on Saturday, November 23rd at 10:00 we are going to have a Thanksgiving/Fall Craft project. Please let us know if you can come to either of these programs so that we can plan appropriately. Next, we wanted to remind everyone that the third Thursday of the month is Family Reading Night in Illinois. This year, that is November 21st, so please come check out some books ahead of time to be prepared. Finally, we have an older kids/adult program on November 13th at 5:30 called Indoor Edible Gardening. This program is put on by the Master Gardeners of Bureau County. Programs by this group in the past have been extremely informative and well received by participants, so we hope that you will be able to attend this program as well. Please call the library at 815-376-5422 to get signed up ahead of time for this program so that we can let our presenters know what to plan for. You can follow us on Facebook at Ohio Public Library District or visit us online at www.ohiolibrarybc.com. The library's hours are Monday and Friday: 11-6, Wednesday: 10-6, and Saturday: 9-12.

Principal's Corner

With the weather starting to turn colder, please remember to dress your children appropriately. Children are outside at different times throughout the day so proper protection from the cold is necessary. With November 11th being Veterans' Day, please be sure to take a moment and thank the brave men and women who are serving or who have served our country. We cannot thank them enough for what they did/do for us. Please join us in honoring them on Monday, November 11th. We will be having an assembly from approximately 2:00-2:45 in the gymnasium. With the holiday season quickly approaching us, don't forget the spirit of the season. There is much to be thankful for.

Our entire school family wishes all of you a Happy Thanksgiving!
