Ohio Public Library

Hello from Ohio Public Library. We hope everyone's school year is off to a good start. We wanted to take this opportunity to remind everyone what the library has to offer and of an upcoming program later in September. First, on Saturday, September 21st at 10:00 we are going to be having a fossil making program. During this program, participants get to make and decorate their own fossils to take home. Now, for some of what we offer at the library. As most people know, we are able to loan out books and DVDs to patrons. We have computer and Wifi access in the library. We can order items through interlibrary loan through two different services if we do not have something someone needs. Interested individuals can check out e-books and audiobooks through eRead Illinois. A newer service that we offer is Find More Illinois, which offers discounts to attractions and events in Illinois to library patrons. We are working to gain access to EBSCO, a database that gives access to articles, journals, and other periodicals. Keep an eye on our website for more information on this. All of the above listed resources are available through our website at www.ohiolibrarybc.com. You can like us on Facebook at Ohio Public Library District and keep up with programs there too. The library is open Monday and Friday 11-6, Wednesday 10-6, and Saturday 9-12. We hope to see you soon!

School Website

We will be continuing to add more content to the site as the school year goes forward. Please continue to utilize our Facebook page and website to keep up to date on school occurrences. This website can be found at:

ohiocommunityschooldistricts.com

Before/After School Program

The before and after school program started August 19th. Before school runs from 7-7:40 am; After school runs from 3-5:00 pm. Both programs run Monday through Thursday. If you have any questions, please reach out directly to Katy Jameson at kjameson@osd17.com

Labor Day

No school on Monday, September 2nd for Labor Day.

I want to thank all parents, grandparents, community members, and students who attended our Back to School Night on Monday, August 12th. It was a huge success as we had a great turnout! I hope everyone had a chance to meet their child(ren)'s teachers and gain a better understanding of all the positive things that will occur throughout the year at Ohio Schools. Meeting the staff was a great way to begin forming good lines of communication to help your child succeed in school. I am sure most of you have heard about TeacherEase. This is our on-line student management system. This system allows the parents to view grades, email teachers, track lunch account balances, and much more. Please stop in or call the school to get set up with TeacherEase if you have not done so. Let's have a great month of September!

Game Night

Grades K-5 are invited to enjoy a family game night on Thursday, September 26th from 6-7:00 pm. Please keep an eye out for more information to come!

September Birthdays

9/6 Jordan Floto

9/11 Levi Forristall

9/19 Zander Gibbons

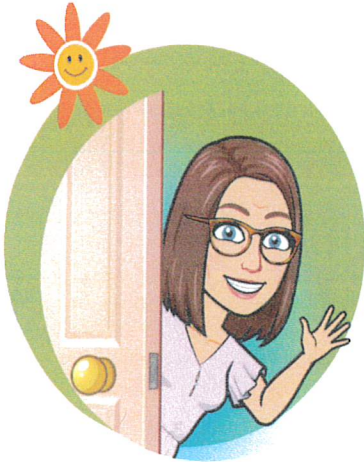

9/26 Rosalie Bolin

★HAPPY★
BIRTHDAY!

Kathy Johnson

MS Math

I'm passionate about creating a positive and inclusive classroom environment where every student feels valued and supported. I integrate innovative and engaging teaching methods, including hands-on activities, to help students learn and grow! I've been a teacher for over 20 years, mostly students at the high school level. I have taught many different levels of math. I have a Masters Degree in Education from Illinois State University and I love math— strange but true!

Eli Fiorini

MS Science

Hello, I am Elijah Fiorini, the new middle school science teacher here at Ohio. I will be teaching 6th, 7th, and 8th Grade science this year as well as 6th grade social studies! I graduated from NIU this year and just moved back to Sterling, my hometown, at the beginning of the school year. My mother was a school psychologist for over 20 years and is now the principal over at Thome in Rock Falls. She is a big inspiration to me and is one of the reasons I became a teacher. Recently I've been getting back into Bears Football. After watching this week's Hard Knocks I have decided to become a Football Guy™ once again. I look forward to an exciting school year and GO BEARS!!

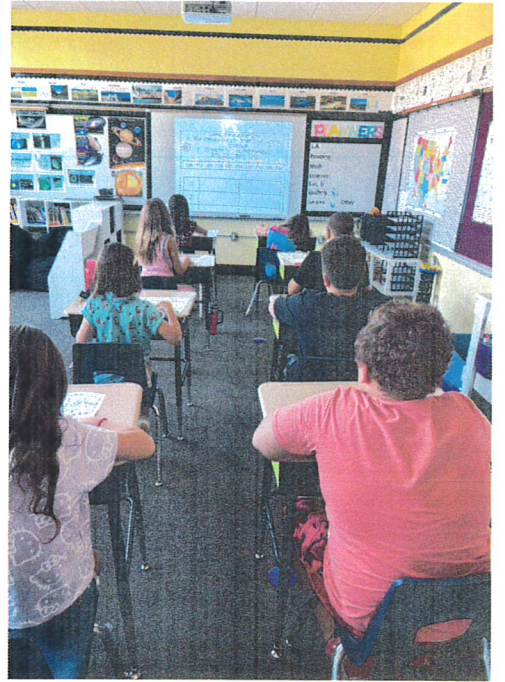

Cheyenne Hansen

Paraprofessional

Hi! I'm Cheyenne Hansen. I live in Ohio with my boyfriend James and our child, Aurora. I am a paraprofessional, and I'll mainly be working with the Kindergarten class and riding the Pre-K bus!

Back to School

The school year is
off and running!
Proud of our
Bulldogs!

Welcome, Kindergarten!
