Pest Control:

Dear Parent/Guardian,

In an attempt to control pests, we have contracted with a pest control specialist to provide series for our school. Due to the nature of chemicals used, we are required by law to notify all parents that we are going to be treating the building one a month on Friday, after school. This will allow the weekend for the treatment to dissipate before students are in the building (24 hours are required).

In addition, we plan to apply lawn care products such as pesticides, herbicides, and fertilizers to the lawn periodically throughout the year (mostly in the summer).

If you wish to be notified before each application, please provide the school with proper notification including your name, address and phone number.

Sincerely,

Jason Wilt
Principal
