## Ohio Public Library

Hello from Ohio Public Library. We have a couple of upcoming programs at the library in September. First, on Saturday, September 9<sup>th</sup> at 10:00 we will be decorating and assembling butterfly houses. Then on Monday, September 18<sup>th</sup> at 5:30, we have a foods class. This class, put on by the University of Illinois Extension, is called "Healthy Charcuterie Boards." This is a popular class for the extension service and features hands on learning and samples for those that participate. Finally, as the calendar flips to October, we have a program on bulbs put on by the Master Gardeners called "Bulbs: Basics, Myths, and Truths" on Monday October 2<sup>nd</sup> at 5:30. Please call the library at 815-376-5422 to get signed up for any of these programs. Just to remind everyone, if the library does not have what you are looking for, we can always try to order it in from our interlibrary loan programs. We also offer e-book services. You can follow us on Facebook at Ohio Public Library District for pictures and news about upcoming events or visit us at our website at [www.ohiolibrarybc.com](http://www.ohiolibrarybc.com). The library's hours are Monday and Friday: 11-6, Wednesday: 10-6, and Saturday: 9-12.

## 21st Century

21st Century is back! This includes before and after school programs that started August 21st!. Please reach out to our coordinator, Emily Fredrickson for any questions or concerns!

## Labor Day

No school on Monday, September 4<sup>th</sup> for Labor Day.

I want to thank all parents, grandparents, community members, and students who attended our Back to School Night on Monday, August 14th. It was a huge success as we had a great turnout! I hope everyone had a chance to meet their child(ren)'s teachers and gain a better understanding of all the positive things that will occur throughout the year at Ohio Schools. Meeting the staff was a great way to begin forming good lines of communication to help your child succeed in school. I am sure most of you have heard about TeacherEase through registration or from the teachers at our Back to School Night. This is our on-line student management system. This system allows the parents to view grades, email teachers, track lunch account balances, and much more. Please stop in or call the school to get set up with TeacherEase if you have not done so. Let's have a great month of September!

## Game Night

Grades K-5 are invited to enjoy a family game night on Thursday, September 28th from 6-7:00 pm. Please keep an eye out for more information to come!
